Select – I accept & click Next

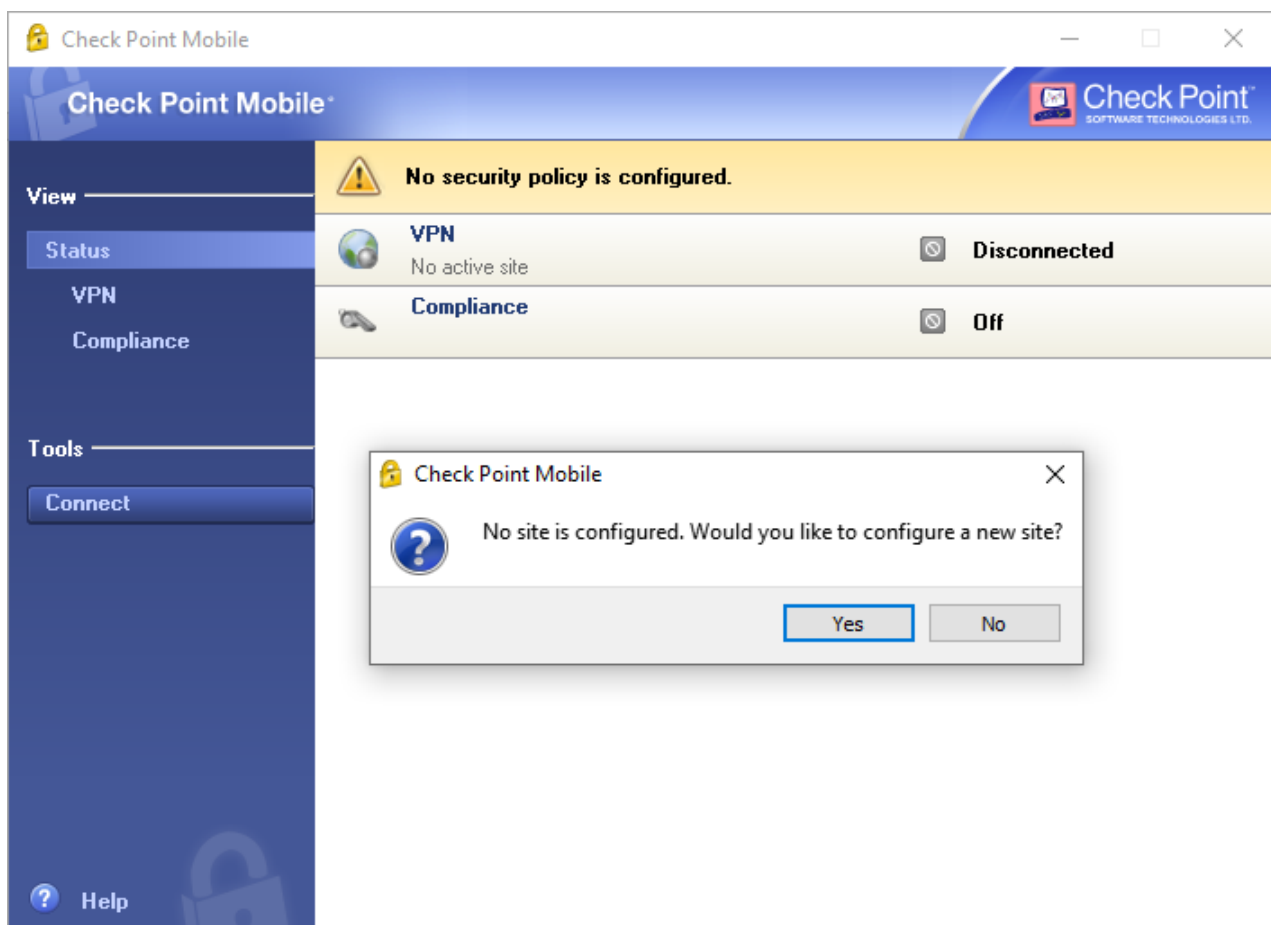

Select Install

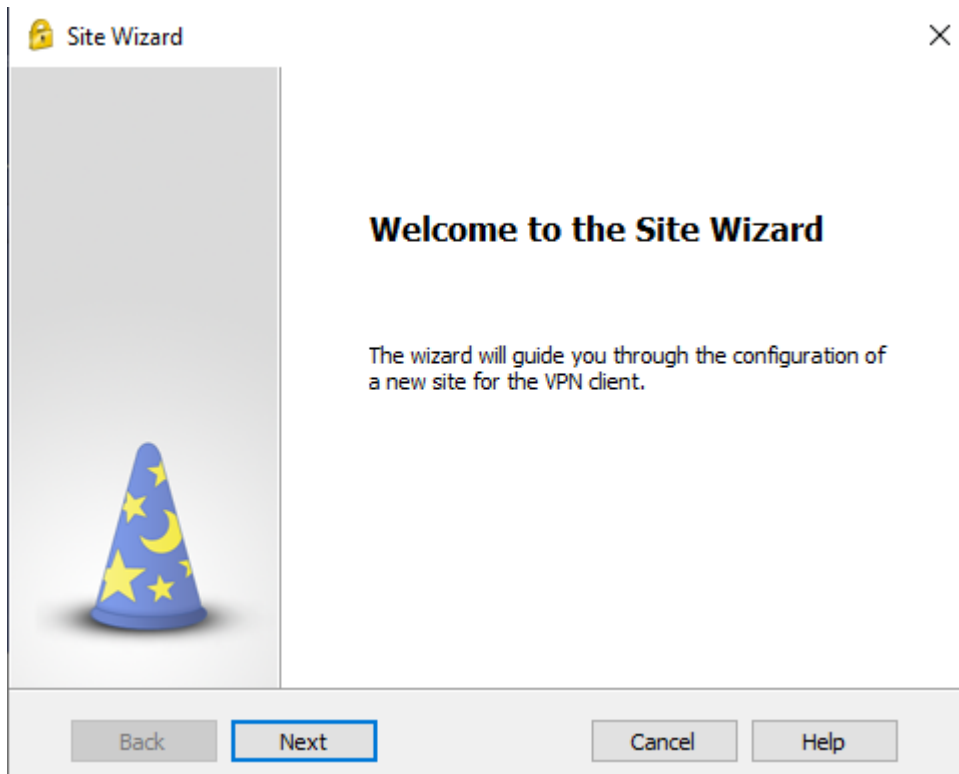

**Select Finish**

**Now Open Check Point Mobile VPN & Select Connect**

**Click Yes**

**Select Next**

The screenshot shows the 'Site Wizard' window at the configuration step. The title bar is the same. The main area has a grey background. At the top, there is a header bar with a blue wizard hat icon on the left, the text 'Welcome to the Site Wizard' in the center, and a yellow padlock icon on the right. Below the header, the text 'A site is your gateway to network resources.' is displayed. In the center, there is a prompt: 'To continue, fill in the required information and click next.' Below this, there are two input fields. The first is labeled 'Server address or Name:' and contains the text '203.77.200.17'. The second is labeled 'Display name:' with a checkbox to its left, and it also contains the text '203.77.200.17'. At the bottom, there is a horizontal bar with four buttons: 'Back', 'Next', 'Cancel', and 'Help'. A close button (X) is in the top right corner.

**Fill the site address as above & Select Next**

Site Wizard

**Login Option Selection**

Select your login sequence choice from the options set by your administrator

Please select your preferred login option from the following list

Username Password (Default)

Select Next

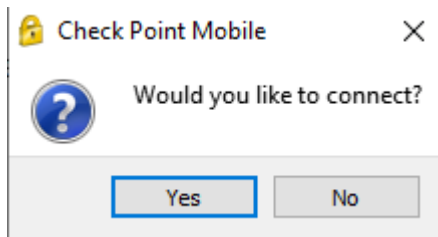

Site Wizard

**Site created successfully**

Finish

Back Finish Cancel Help

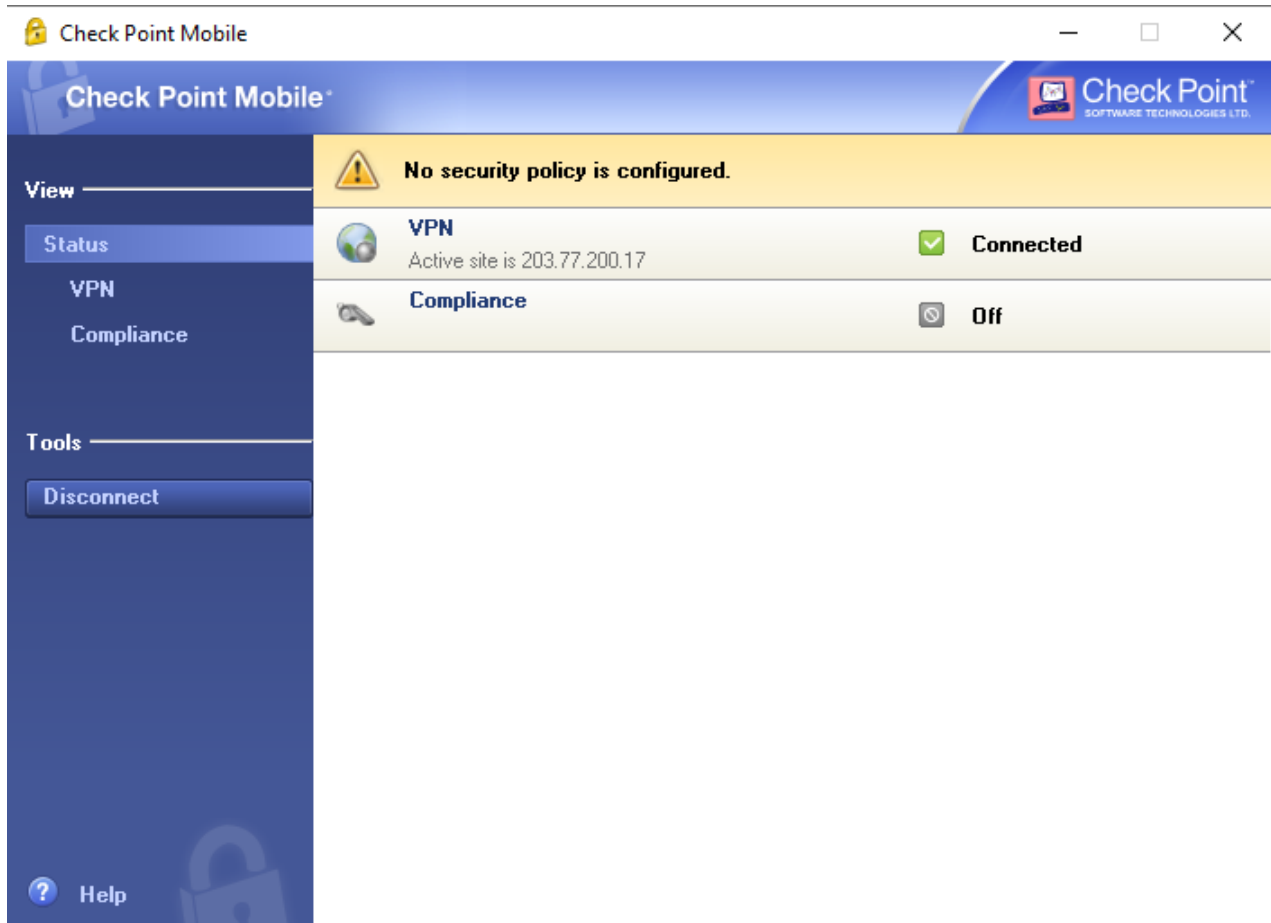

Click Finish

**Click Yes....**

A larger window titled "Check Point Mobile" with standard window controls (minimize, maximize, close) in the top right. The window has a blue header bar with the "Check Point" logo and "SOFTWARE TECHNOLOGIES LTD." text. Below the header, there is a "Site:" label and a dropdown menu showing "203.77.200.17". A horizontal line separates the site selection from the "Authentication" section. The text "Please provide a user name and password to authenticate" is displayed. Below this, there are two input fields: "Username:" with the text "client.ptscience" and "Password:" with masked characters (dots). To the right of the input fields is a graphic of a yellow padlock and a globe. At the bottom, there are three buttons: "Connect", "Cancel", and "Help". A status bar at the very bottom shows "Selected Login Option: Username Password" and a link to "Change Login Option Settings".

**Enter the credentials shared with you...**

**After succesful VPN connection, you may proceed with the server access as permitted with your request rule creation...**
